(words & music: Leonard Jones)

**Intro:** ||: E | | Cadd9 | | :||

**Verse 1:** I want to spend my life as a living sacrifice  
Holy and acceptable out to save the world.  
Your love's my highest goal I live to make You whole  
My lips have come unsealed I'm out to tell the world.

**Pre-Ch.:** I will not be silent, I'm tired of standing still  
I won't let You go, no, no.

**Chorus:** I will wrestle You like Jacob, I will not release You  
until I bless You and You never want to break away.  
I will wrestle You like Jacob, I will not release You  
until I bless You and You never want to break away.

||: E | | Cadd9 | |  
I am desperate for You again

more than I have ever been.

I will not be satisfied until I've touched You like no-one before me  
And You will not give up Your bride,  
Your love in her, You're endlessly restoring.
